

Fall 2016

ACLS Certification

Advanced Cardiac Life Support

Target Audience & Employee Responsibility

Advanced Cardiac Life Support-ACLS

ACLS is for clinical healthcare professionals and required for designated Riverwood patient care staff.

Employee Responsibility

It is the employee's responsibility to ensure their ACLS Certification remains valid and current.

Per Riverwood Policy and Accreditation Standards requirements, an expired certification will result in the employee not being able to return to work until they have become recertified in ACLS.

Important Details – Please Read Thoroughly

- **Pre-registration is mandatory** and must be made at least one month prior to class date. Class seats are limited and instruction materials are pre-ordered. Also, please see cancellation courtesy below.
- Register w/Nurse Educator-Stephanie Scheffer, HNS, ext 5314
- As your reminder, please place your registered class date(s) on your Outlook Calendar
- **Cancellation courtesy:** If you are unable to attend on your registered date(s), please notify HNS Nurse Educator as soon as possible.
- There is no charge for the ACLS course
