

## 2017 CLASSES

# BLS | CPR Certification

*BLS Provider*

*Heartsaver, First Aid, CPR & AED*

### Certification Descriptions

#### **BLS Provider**

This certification was previously known as *Healthcare Provider* and is now called *BLS Provider*. This certification is for healthcare professionals and required for designated Riverwood patient care staff.

#### **Heartsaver First Aid CPR & AED**

This certification is appropriate for non-patient care, non-clinical individuals. Training includes adult, child and infant CPR along with first aid and automated external defibrillator (AED) instruction. Riverwood encourages non-patient care staff to take the *Heartsaver First Aid CPR & AED* course.

### Important Class Details – Please read thoroughly

- **Pre-registration is required** and must be made two weeks prior to class date.
- Register with [RHHC-Education](#) | 5318
