

THE HEALING GARDEN

Riverwood's Healing Garden was created to provide a place of peace, tranquility, healing and reflection for patients, their families, our employees and the community. This special place will foster the healing of one's body, mind and spirit for those in need, as well as provide a source of financial support for Riverwood Healthcare Center.

A PLACE TO HONOR SPECIAL PEOPLE IN YOUR LIFE

Help Riverwood continue to build our garden by purchasing a commemorative brick inscribed with the name of a special person in your life. What other gift offers a permanent memorial of your love that's shared with the entire community? Celebrate the birth of a child with a birthday brick. Show mom your love with a Mother's Day brick. Honor a fallen soldier or recently departed family member with a remembrance brick. Or, you might choose to honor a special occasion with a contribution to the Healing Garden Fund.

Please return this form to Riverwood Foundation so we can acknowledge your special gift right away.

Thank you for helping our community honor its loved ones.
